Ralph W. Miller

Panther Staff Recognizes Mr. Ralph Miller

*Pam,
Did you like the dance? I thought it was pretty good. You're a sweet and pretty young lady and I'm glad I got to know you. Good luck always and I'll see you in Drill Team camp.
Love,
Lois Jamison*

"No man ever yet became great by imitation" . . . a quote applicable to our principal, Mr. Ralph W. Miller, because of the unique way in which he serves our school. In talking with him, any student can sense his embodiment of the Panther Spirit. He has instilled self-respect in the lives of the students and has given them a goal to work towards, that of diligence in schoolwork and honesty to both oneself and others. Not only does he encourage students in their successes, but he takes time out to aid those who are faltering.

We thank you, Mr. Miller, for helping us develop "pride and character" through our years at Paschal. For these reasons, the 1976 Panther is dedicated to Mr. Ralph W. Miller.

*Pam,
It's been a lot of fun knowing you for such a long time. Have a good time in drill team, & have fun this summer.
Love,
Vivian*

Freedoms Grasped By Various Means

Adding together the past and the present, what is the sum total of our accomplishments? What have we, as a people, fashioned in terms of increasing freedoms, changing attitudes, innovative styles in art and architecture, and advances in education and government?

As citizens, we are members of a society in which values and viewpoints are ever changing. A progression has been made from yesterday's violent fight for freedom to today's more liberal-minded march toward freedom. Our society has been characterized by a contradiction — its denial of equality to all, while specializing in the dissolution of Old World stereotypes.

And just as modern art and architecture manifests itself through abrupt, linear design, rather than in the ornate, forms of the past, so the individual's path toward freedom has been smoothed and streamlined.

As students, we belong to an age that has seen controversial changes and improvements in the direction of education. Yesterday's inflexibility has been replaced by today's more fluid, open concept of learning.

Modern man, incorporating lessons of the past with technology of the present, has built a civilization which is forever expanding its horizons. In combining the old with the new, traditions with innovations, today's present becomes tomorrow's past, for "The Times They Are A-Changin'."

Pamela,
I mean lieutenant Pam! I am so glad we
are on the drill team this year, I really got to know
you better. I think I got to know you the best, when
we had our BIG party. And
when you had a cow at

would let you in. Don't get

Contradicting Attitudes Provoke Change

"The fight must go on. The cause of civil liberty must not be surrendered at the end of one or even one hundred defeats."

Abraham Lincoln

Since its birth, America has faced various social problems. In the early 1900's, women, thought of only as wives and mothers, began their struggle for equality. They joined forces and formed the National American Woman Suffrage Association to achieve the right to vote. Their then-radical views were gradually accepted, and women attained their goal in 1920. Today, the struggle continues. The National Organization for Women campaigns to extend women's rights and to give women a more active part in society.

Ever since their emancipation during the Civil War, blacks have desired real freedom and equality. The initial significant step was the Supreme Court's 1954 decision in *Brown vs. Board of Education of Topeka*. The declaration that separate but equal facilities are unconstitutional, sparked the civil rights movement, which is working to broaden the blacks' realm of freedoms. The minorities in our society have always strived for true freedom and acceptance by others. Through hard work and determination progress is being made.

Time Changes Educational Opportunities

Throughout the years, educational opportunities have expanded to include increasingly greater numbers of people. Education itself has broadened to encompass not only liberal arts but technology and vocational skills. In Fort Worth schools, the emphasis on many types of vocational institutions, the increased number of electives and the new magnet school concept are part of the enlarged educational program. Paschal with its diversified curriculum and myriad student interests, personifies this transition.

"I want to emphasize, in the great concentration which we now place upon scientists and engineers, how much we still need the men and women educated in the liberal traditions, willing to take the long look, undisturbed by prejudices and slogans of the moment, who attempt to make an honest judgment on difficult events."

The Constitution

We the People

of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common Defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this CONSTITUTION for the United States of America.

Article I.

SECTION 1. All legislative Powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and House of Representatives.

SECTION 2. The House of Representatives shall be composed of Members chosen every second Year by the People of the several States, and the Electors in each State shall have the Qualifications requisite for Electors of the most numerous Branch of the State Legislature.

No Person shall be a Representative who shall not have attained to the Age of twenty-five Years, and been seven Years a Citizen of the United States, and who shall not, when elected, be an Inhabitant of that State in which he shall be chosen.

[Representatives and direct Taxes shall be apportioned among the several States which may be included within this Union, according to their respective Numbers, which shall be determined by adding to the whole Number of free Persons, including those bound to Service for a Term of Years, and excluding Indians not taxed, three fifths of all other Persons.] The actual Enumeration shall be made within three Years after the first Meeting of the Congress of the United States, and within every subsequent Term of ten Years, in such Manner as they shall by Law direct. The Number of Representatives shall not exceed one for every thirty Thousand, but each State shall have at Least one Representative; and until such enumeration shall be made, the State of New Hampshire shall be entitled to chuse three, Massachusetts eight, Rhode-Island and Providence Plantations one, Connecticut five, New-York six, New Jersey four, Pennsylvania eight, Delaware one, Maryland six, Virginia ten, North Carolina five, South Carolina five, and Georgia three.

When vacancies happen in the Representation from any State, the Executive Authority thereof shall issue Writs of Election to fill such Vacancies.

The House of Representatives shall chuse their Speaker and other Officers; and shall have the sole Power of Impeachment.

SECTION 3. The Senate of the United States shall be composed of two Senators from each State, chosen by the Legislature thereof, for six Years; and each Senator shall have one Vote.

Immediately after they shall be assembled in Consequence of the first Election, they shall be divided as equally as may be into three Classes. The Seats of the Senators of the first Class shall be vacated at the Expiration of the second Year, of the second Class at the Expiration of the fourth Year, and of the third Class at the Expiration of the sixth Year, so that one-third may be chosen every second Year; and if Vacancies happen by Resignation, or otherwise, during the Recess of the Legislature of any State, the Executive thereof may make temporary Appointments until the next Meeting of the Legislature, which shall then fill such Vacancies.

No Person shall be a Senator who shall not have attained to the Age of thirty Years, and been nine Years a Citizen of the United States, and who shall not, when elected, be an Inhabitant of that State for which he shall be chosen.

The Vice President of the United States shall be President of the Senate, but shall have no Vote, unless they be equally divided.

The Senate shall chuse their other Officers, and also a President pro tempore, in the absence of the Vice President, or when he shall exercise the Office of President of the United States.

The Senate shall have the sole Power to try all Impeachments. When sitting for that Purpose, they shall be on Oath or Affirmation. When the President of the United States is tried, the Chief Justice shall preside: And no Person shall be convicted without the Concurrence of two thirds of the Members present.

Judgment in Cases of Impeachment shall not extend further than to removal from Office, and disqualification to hold and enjoy any Office of honor, Trust or Profit under the United States: but the Party convicted shall nevertheless be liable and subject to Indictment, Trial, Judgment and Punishment, according to Law.

SECTION 4. The Times, Places and Manner of holding Elections for Senators and Representatives, shall be prescribed in each State by the Legislature thereof; but the Congress may at any time by Law make or alter such Regulations, except as to the Place of Chusing Senators.

The Congress shall assemble at least once in every Year, and such Meeting shall be on the first Monday in December, unless they shall by Law appoint a different Day.

SECTION 5. Each House shall be the Judge of the Elections, Returns and Qualifications of its own Members, and a Majority of each shall constitute a Quorum to do Business; but a smaller number may adjourn from day to day, and may be authorized to compel the Attendance of absent Members, in such Manner, and under such Penalties as each House may provide.

Each House may determine the Rules of its Proceedings, punish its Members for disorderly Behavior, and, with the Concurrence of two thirds, expel a Member.

Each House shall keep a Journal of its Proceedings, and from time to time publish the same, excepting such Parts as may in their Judgment require Secrecy; and the Yeas and Nays of the Members of either House on any question shall, at the Desire of one fifth of those Present, be entered on the Journal.

Neither House, during the Session of Congress, shall, without the Consent of the other, adjourn for more than three days, nor to any other Place than that in which the two Houses shall be sitting.

SECTION 6. The Senators and Representatives shall receive a Compensation for their Services, to be ascertained by Law, and paid out of the Treasury of the United States. They shall in all Cases, except Treason, Felony and Breach of the Peace, be privileged from Arrest during their Attendance at the Session of their respective Houses, and in going to and returning from the same; and for any Speech or Debate in either House, they shall not be questioned in any other Place.

No Senator or Representative shall, during the Time for which he was elected, be appointed to any civil Office under the Authority of the United States, which shall have been created, or the Emoluments whereof shall have been increased during such time; and no Person holding any Office under the United States, shall be a Member of either House during his Continuance in Office.

SECTION 7. All Bills for raising Revenue shall originate in the House of Representatives; but the Senate may propose or concur with Amendments as on other Bills.

Every Bill which shall have passed the House of Representatives and the Senate, shall, before it become a Law, be presented to the President of the United States; If he approve he shall sign it, but if not he shall return it, with his Objections to that House in which it shall have originated, who shall enter the Objections at large on their journal, and proceed to reconsider it. If after such Reconsideration two thirds of that House shall agree to pass the Bill, it shall be sent, together with the Objections, to the other House, by which it shall likewise be reconsidered, and if approved by two thirds of that House, it shall become a Law. But in all such Cases the Votes of both Houses shall be determined by Yeas and Nays, and the Names of the Persons voting for and against the Bill shall be entered on the Journal of each House respectively. If any Bill shall not be returned by the President within ten Days (Sundays excepted) after it shall have been presented to him, the Same shall be a Law, in like Manner as if he had signed it, unless the Congress by their Adjournment prevent its Return, in which Case it shall not be a Law.

Every Order, Resolution, or Vote to which the Concurrence of the Senate and House of Representatives may be necessary (except on a question of Adjournment) shall be presented to the President of the United States; and before the Same shall take Effect, shall be approved by him, or being disapproved by him, shall be repassed by two thirds of the Senate and House of Representatives, according to the Rules and Limitations prescribed in the Case of a Bill.

SECTION 8. The Congress shall have Power To lay and collect Taxes, Duties, Imposts and Excises, to pay the Debts and provide for the common Defence and general Welfare of the United States; but all Duties, Imposts and Excises shall be uniform throughout the United States;

To borrow money on the credit of the United States;

To regulate Commerce with foreign Nations, and among the several States, and with the Indian Tribes;

To establish an uniform Rule of Naturalization, and uniform Laws on the subject of Bankruptcies throughout the United States;

To coin Money, regulate the Value thereof, and of foreign Coin, and fix the Standard of Weights and Measures;

To provide for the Punishment of counterfeiting the Securities and current Coin of the United States;

To establish Post Offices and post Roads;

To promote the Progress of Science and useful Arts, by securing for limited Times to Authors and Inventors the exclusive Right to their respective Writings and Discoveries;

Mr. Ralph Miller, principal, and vice-principals Merle Walker, Earl W. Conrad, and A. M. Erwin exemplified school spirit. They regularly attended athletic events and other school functions, enthusiastically lent their support to the school's organizations, and willingly gave their help to students and faculty.

Each worked to improve school life. Mr. Miller's efforts brought the Plan-A to Paschal. Plan-A is designed for students who need extra help in specific subject areas such as math and English. The vice-principals handled such duties as registering students, scheduling classes, checking attendance, and maintaining discipline.

Magnet System Offers Choice

The 1975-76 school year marked the beginning of a new administration headed by Superintendent, Dr. Gerald Ward. Having worked closely with past superintendent Julius Truelson, Dr. Ward continued many programs started by the preceding administration. Dr. Ward was not a new face at the Administration building, having served in past years as deputy superintendent.

One new program put into use is the magnet system, which draws together students with common interests. Special "magnet" schools were set up to offer classes not available in all schools. Students all over the city were eligible to attend these classes and still be counted in their home schools.

New Superintendent, Dr. Gerald Ward, presides over an administrative meeting.

School Board Sets Policies

Composed of seven citizens elected by the voters of the district, the Fort Worth Board of Education devoted numerous hours to school business each day. Major responsibilities of the board included setting policies, developing and improving the educational program, securing adequate financing, maintaining an efficient school plant and good community relations, choosing the school superintendent, and providing qualified personnel. However, the most awesome responsibility of the board was that each and every decision made would influence the lives of 70,000 students, not only for the remainder of their school career, but for the rest of their lives.

In addition to administering special tests, such as the SAT, ACT, Achievement, PSAT, and National Merit Scholarship, counselors worked diligently with registering students, scheduling and balancing classes, and making schedule changes.

Plan-A — A First For Paschal

For the first time in Paschal's history, the Plan-A program was offered for students who need extra help in certain subject areas such as math or English. Students were placed in Plan-A on recommendation from school administrators and subject teachers. Once in Plan-A, students received as much individual assistance as possible from Ms. Kathleen Reuter and Ms. Floydora Stringer, instructors, and Ms. Cyndi Hudson, aide. Students returned to their regular classes when their ability to master their respective subjects improved.

The office staff offered invaluable services to faculty, students, and visitors. Student records and financial records were kept in the main office. From the main office came bulletins, schedules, and other information sheets needed by students and faculty. Other necessary tasks included the preparation and mailing of student transcripts, updating the teacher's bulletin board, supervising the lost-and-found department, selling school supplies, routing telephone calls, and giving general directions to visitors. Trained student assistants helped office personnel by handling phone messages.

Skilled Workers Aid Students

The nurse, librarians, and community aides contributed to the over-all safety and well being of students. Ms. Marguerite Funderburgh, school nurse, attended to student health needs. Mr. Patrick Evans and Ms. Gloria Jackson, community aides, supervised and maintained order in the halls and on the grounds.

Ms. Joyce Austin, librarian, and assistant librarian, Ms. Juanita Ingram, maintained efficiency in the library, helping students with the use of the library's periodicals, newspapers, pamphlets, and books. All films, projectors, tape recorders, kits, and other audio-visual aids were distributed by the library for classroom use.

Along with the traditional study of literature and grammar, the English department offered courses in creative writing, humanities, journalism, American Culture and Thought (combined American history and literature), and Modern British Studies (combined British history and literature). Field trips for many classes helped students to better understand their courses.

In the reading classes, students learned to improve speed, comprehension, vocabulary, listening, and study skills through the use of reading machines and listening exercises. Students worked on their own levels and were graded on progress.

The study of mathematics helped in the development of logical patterns of thought and reasoning and was an essential part of each student's curriculum. Program Presents Option

History Accents Future

A student, through his knowledge of history, might better understand the present and prepare himself for the future. With this in mind, the history department offered more than the minimum history and government courses. These included Sociology, African Studies, European Studies, American Culture and Thought, Texas History, Economics, Modern British Studies, and Psychology. Films, class discussions, and group presentations were a few of the methods teachers found helpful in instructing their classes.

The Science Department offered a variety of classes which included general physical science, biology, chemistry, physics, and aviation. Also offered were advanced courses in chemistry and biology. Lab work, which was emphasized in all classes, gave the student knowledge of scientific procedure and allowed him to arrive at his own conclusions through experimentation.

Languages Stress Culture

Five different languages were offered by the foreign language department this year. They were Spanish, Russian, Latin, German, and French. Instructors exposed students to not only the meaning of the language, but also to the country's culture.

As in the past, the language department encouraged its students to take part in all the American Institute for Foreign Study programs available to high school students. To promote the learning as well as the understanding of language and of its people, each of the languages offered also had an active student organization whose activities included regular meetings.

Whether boys concentrated on one particular sport or not, the physical education department had a program for them. Some chose to play on a school-sponsored team, such as football, basketball, tennis, baseball, track, swimming, or golf. Others simply registered for a traditional physical education class which included a sampling of many sports. These were conducted by instructors John Branson, Adrian Clark, Jimmie Crowder, Jim Wall, and first-year man Jerry Kirby.

Girls taking physical education had a variety of courses from which to choose. General physical education classes — either coeducational or not — included instructions in basketball, volleyball, and softball. Advanced sports classes provided students with the opportunity to improve their skills in these areas. Rhythm classes were taught by Ms. Judy Roberson. Several tennis classes were also offered to teach basic skills to beginners and to give others a chance to improve through practice. These were taught by Ms. Norma Headrick. Other instructors were Ms. Joy Hill and Ms. Martha Powell.

Through a wide variety of classes, teachers in the business education department taught practical skills used for both personal and vocational purposes. Courses included typing, bookkeeping, data processing, general business, shorthand, business law, business arithmetic, and notehand. Typing I was offered as a pass-fail class for juniors and seniors. Instructors LaTonne Enright, Martha Flemmons, Letha Owens, Jean Welch, and Kenneth Wright helped prepare students for a business-oriented world.

The Vocational Education Department gave participating students an edge on job opportunities after graduation. The department's work programs included Distributive Education (DE), Vocational Office Education (VOE), Health Occupations (HO), Home Economics Cooperative Education (HECE), and Coordinated Vocational Academic Education (CVAE). HECE provided jobs in child care, food service, and floral design, while VOE offered training in secretarial work, bookkeeping, and clerical work. Through DE, students acquired jobs in advertising, display, and merchandising. CVAE consisted of a food service branch and an office education branch. Health Occupations allowed students to work as nursing, physical therapy, x-ray, laboratory, or surgical assistants. In the child development program students worked in elementary school classrooms as teacher assistants. Also offered were Home Economics, Home and Family Living, and a relatively new course, Interior Design.

The 1976 Panther Staff acknowledges the outstanding achievements of several students and honors them as Very Important Panthers. Although Paschal offers many such notable persons, it is only possible to formally recognize a few. These Very Important Panthers are prime examples of the high standards that govern the lives of all Paschal students.

Seniors Elect Top Six

Bruce G. Hopkins, a favorite among faculty and students, was chosen as Mr. Paschal of 1976. His active involvement in school functions clearly shows that Bruce works for the betterment of the school. He takes part in school government as Vice-president of the Student Council and member of the Leadership Committee, and has been a player on the varsity basketball team for two years.

Bruce is also known for his quick wit which has enlivened many classrooms. As an 'A' honor student, his scholastic achievements brought him to the semi-finals for the National Merit Scholarship and gained him membership in the National Honor Society. The sum of these accomplishments and his qualities as a leader make Bruce G. Hopkins Mr. Paschal, 1976.

Barry Luskey is a deserving finalist for the title of Mr. Paschal. Barry is a member of the National Honor Society, PSOP and the annual staff, as well as holding the office of Parliamentarian for the Student Council.

Chosen as a finalist for Mr. Paschal of 1976 Mitch Rios is known for his school spirit. Not only is he an enthusiastic member of the football team, but he is an excellent student as well. These fine qualities earn Mitch admiration from both students and faculty.

Brenda Alford, finalist for Miss Paschal of 1976, is an 'A' honor student and is serving her second year on the yearbook staff. She is a member of the National Honor Society and PSOP, and a participant in numerous school activities.

Sheila Tyson, another finalist for 1976 Miss Paschal, is admired by her classmates for the enthusiasm and school spirit she puts into being a varsity cheerleader. Intelligence, friendliness and dependability combine to make Sheila ideal as a Miss Paschal finalist.

Pam A. Roach well deserves one of the highest honors bestowed upon a student, the title of Miss Paschal. Besides being one of the most enthusiastic and hardest working students, she is noted for characteristics such as warmth, friendliness, and generosity. Pam is respected by students and faculty for her intellectual achievements and active participation in student government.

In addition to being president of the Student Council, Pam has been an active member of the Leadership Committee for three years. She is editor of the yearbook, a member of PSOP, an 'A' honor student, and a member of the National Honor Society. Pam's accomplishments and total commitment to the student body make her a perfect choice for Miss Paschal.

Memories Fill Senior Year

Termination of the 1976 school year brings feelings of joy, sadness and anticipation. There is joy accompanying a student's approaching graduation; sadness as old friends part, leaving each other with life-long memories, and anticipation as over 500 students walk across a graduation stage and face the future.

As the bicentennial class, the seniors of nineteen hundred and seventy-six are well aware of their historical year of graduation. While the country reflects over the growth and maturing that America has undergone, the seniors of '76 think back over their formative years of education. For these students, the school year of 1975-76 is too quickly fading into a memory that will remain forever in their hearts.

The Leadership Committee is composed of representatives from each class who are anxious to help and listen to fellow students. The representatives for the senior class are Neal Hahn, Lydia Hester, Bruce G. Hopkins, Barry Luskey, Angie O'Shields, Pam A. Roach and Lisa Ross. Four of these members hold offices on the committee. These officers are: Pam A. Roach, president; Bruce G. Hopkins, vice-president; Angie O'Shields, treasurer; and Barry Luskey, parliamentarian.

In addition, there exists a senior cabinet composed of four people from the Student Council whose job is to help with decisions concerning senior activities. The four members are Linda Austin, Penny Daniels, Beau Glenn and Patty Woodfin.

L.C. members Pam A. Roach and Lydia Hester review the agenda for a committee meeting.

Favorites Exhibit '76 Spirit

The class of '76 selected Sheila Tyson as favorite. Sheila is a varsity cheerleader, treasurer for the Black Task Force, and a member of both the NAACP and her church choir. In addition, she enjoys roller skating and swimming.

1976 favorite Mitch Rios is pictured here at the Log Cabin Village. He is a member of the Vignette staff, and has been a two year letterman on the varsity football team. Mitch also enjoys numerous outdoor sports such as fishing and biking.

Finalists Active In Sports

Scott Henderson, Julia Hull, Brenda Alford and Allen Barnard, pictured at the Log Cabin Village, have been chosen as favorite finalists by the Bicentennial class. All four are active participants in school functions and athletics. Scott was named All-State as a football player; Julia has lettered three years in tennis and was a finalist in both

Homecoming and Sports Follies Queens contests; Brenda is a member of PSOP and an avid horseback rider; and Allen is a two-year letterman and co-captain for basketball. All of these achievements have made Scott, Julia, Brenda and Allen Senior Favorite finalists for 1976.

Students Develop Special Interests

The junior year of high school is a time when the student realizes important decisions will soon have to be made about the future. With many required courses out of the way, there is much time for developing special interests. Various electives such as chemistry, trigonometry, art, typing, and others, allow the student to begin thinking about the career he or she will pursue. Advanced students can also graduate early, because of the tri-mester plan, allowing students to double-up on classes.

In the non-academic area, juniors have contributed much to this year's school spirit. Their hall decorations for Homecoming were excellent; a garage sale held to make money for Homecoming, was a tremendous success. Combined, school activities and the wide range of courses, give each student an idea of their plans for the future.

Top: YOU'VE GOT UNTIL SUNDOWN TO GET OUT OF TOWN! Junior LC Members Provide Ideas

Each Junior on the Leadership Committee brings to the group his energy and ideas, from planning Howdy Week to attending State Student Council conventions. The eight representatives are Kathy Sherman, Julie Hall, Shari Freed, Cynthia Harnest, John Proctor, Mitch Reitman, Nada Wise, and Maria Schultz.

One addition to the group is the UHSC representative, Kathy Sherman, who was elected to voice Paschal's opinion on city wide matters.

LC member Cynthia Harnest helps decorate the Christmas tree after school.

Favorites Generate Enthusiasm

Interest in school activities coupled with a sparkling personality have made Nada Wise the junior class favorite. Nada leads the school in spirit as a varsity cheerleader and is also an active Leadership Committee member. Added to her school activities, Nada participates in gymnastics and enjoys singing, dancing, and playing the piano. As favorite, Nada brings to the junior class the outstanding qualities of leadership and enthusiasm.

Steve Jones, pictured beside the fireplace at the old Scott home, deserves the title of junior class favorite as he brings the halls to life with his vivacious personality. Steve lettered in baseball and contributed greatly to this year's Junior Varsity football team. Outside of school, Steve is an active member of the Fellowship of Christian Athletes. Because of his interest and involvement in Paschal, Steve has been chosen junior class favorite of '76.

Finalists Excel In Academics

This year's finalists for junior class favorite, photographed on the staircase in the old Scott home, are John Bills, Stephanie Stengel, Jim Rodriguez, and Julie Hall. Their interest and participation in activities inside and outside of school reflect the appropriateness of this honor.

Personality, talent, and scholastic ability are just a few qualities which John, Stephanie, Jim, and Julie possess. Julie serves as secretary of the Leadership Committee, Stephanie has held offices in FHA, and both John and Jim are honor students. All four are enthusiastic in their endeavors and live up to the name, favorite finalists for '76.

Class Of '78 Participates

Top Left: THIS HAS GOT TO BE A BEST SELLER. Student Council representative, Marcie Levine sells directories to her homeroom. **Top Right:** Attentive sophomores listen during a student council meeting. **Bottom Right:** I WISH SOME BOYS WOULD COME BY. Kim East and Diana Castillo find time to talk during their busy day.

Participation in a variety of school functions plus outstanding support of athletic events highlighted the year of the class of '78. The sophomore class held a raffle to earn money for Homecoming hall decorations, into which they put much time and effort. After a busy sophomore year, the class of '78 can look forward to a bright junior year.

Sophs Contribute to LC

The sophomore Leadership Committee members take an active part in the student government. They serve on many committees including proposals, public relations, activities, and a special bicentennial curriculum committee. Hard workers Becka Baird, Barbie Bowen, Karen Brooks, Jennifer Chambers, Julia Duffy, Mayme McConnico, and Michelle Schultz spend many hours planning activities for the benefit of the student body.

CALLING ALL CARS . . . Making important student announcements are part of Julia Duffy, Michelle Schultz, and Becka Baird's job on the L.C.

Involved Sophomores Elected Favorites

Michelle Schultz, sophomore favorite, participates in many school organizations. She was elected Vice-President of PAWS and is a member of the Leadership Committee. Outside of school, Michelle is very active in her church and enjoys dancing, playing tennis, and football.

Active in sports is Brian Jones, this year's sophomore favorite. Lettering in track and football for the last two years are a part of his accomplishments. Brian enjoys fishing, camping, and horseback riding in his spare time.

Finalists Are Sports Minded

Pictured by the Will Rogers statue are Russ McAllister, Heidi Staples, Sandy Gallagher, and Paul Ruiz, this year's sophomore finalists. Representing their homerooms, Sandy and Heidi take part in student government. Backpacking and traveling provide a means for Russ and Paul

to see the country. The dominant interest of the four finalists is sports. Sandy and Russ participate on the swimming and tennis teams, while Heidi and Paul like sports outside of school, such as horseback riding, water skiing, and football.

Frosh Show Enthusiasm

Entering their first year of high school, the Freshman Class took part in many activities. At homecoming, the Class of '79 showed enthusiasm by decorating their hall and homerooms. Throughout the year they participated in many Leadership Committee sponsored activities. Gaining experience and expanding in knowledge, this year's Freshman Class looks forward to the years to come at Paschal.

LC Adds To Student Life

Elected midway through the year, the three freshman Leadership Committee members quickly involved themselves in LC activities. Kelly Fitzgerald, Liz McGaugh, and Beth Waldron showed their school spirit by participating in various student government committees. Whether it was dressing up like elves for Christmas or western for Ranch Day, these three LC members displayed their enthusiasm throughout the school year.

Freshmen Choose Liz And David

Liz McGaugh is the choice for this year's freshman favorite. Liz was elected as one of the three freshman Leadership Committee members. She also participates in Young Life and in her church youth program. In her spare time, Liz enjoys photography.

David Hurst, the 1976 freshman favorite, participates in many activities. He is an active part of the student council and Young Life. David also enjoys playing on the freshman football and baseball teams.

Finalists Enjoy Sports

Freshman favorite finalists, Steve Fraley, Tina Richardson, David Berning, and Wende Witherspoon are pictured here at Fort Worth National Bank. Athletically inclined, Tina and Wende enjoy playing tennis, while David and

Steve participate on the Freshman basketball and baseball teams, respectively. The finalists, in their spare time, enjoy various hobbies, such as building model cars, sewing, art, and fishing.

Science Projects Highlight Year

Scientific projects and science-related tours provided the Science Club with a new and exciting schedule of activities. Mr. Gerald Wall, sponsor, led the club through a more intense plan of science projects which, when complete, go to compete in the annual science fair at Daniel Meyer Coliseum. Field trips, another focal point of the club, included visits to Miller Brewery, Alcon Laboratory and the Fort Worth Zoo to observe the animal hospital. The club also invites guest speakers to explain different facets of the science world.

LC Activities Reveal Tradition

The Bicentennial Year offered many new and different opportunities for student government, the Leadership Committee. The LC consists of twenty-five members: seven seniors, seven juniors, seven sophomores, and three freshmen; and also a United High School representative, Kathy Sherman. The committee sponsored the Bicentennial Quiz and Moments in American History. Other activities directed by sponsors John Hamilton and Marjory Philp were the annual Howdy Week, the Santa Claus contest, the Beard Growing contest and Ranch Day.

Upper Left: Barry Luskey, Michelle Schultz, and Barbie Bowen decorate the Christmas tree in the front foyer. **Upper Center:** Becka Baird, Mayme McConnico, Lydia Hester, Cary Lauritzen (foreground), and members of the freshman class listen intently to the speeches of potential freshman Leadership Committee members. **Upper Right:** ONE MILLIMETER, TWO MILLIMETERS . . . Roach, president; Bruce Hopkins, vice president; Julie Hall, secretary; Kathy Sherman, UHSC Representative; Angie O'Shields, treasurer; and Barry Luskey, parliamentarian.

Representatives Keep Students Informed

Keeping the students informed is one of the duties of the Student Council. The members are also assigned duties such as flag raising, morning thoughts and serving as a link between the students and the Leadership Committee. There was one representative and alternate from each homeroom. This year the Student Council sponsored the Powder-Puff football game between senior and junior girls held March 25, at Farrington Field. Football players acted as coaches and several boys tried out for cheerleader.

Staff Records Student Life

Working towards their goal of the "perfect" year-book, the 26 members of the '76 PANTHER staff keep pace with a full year of student life and activities. Under the direction of Miss Zelma W. Rhodes, the editor, staff writers and photographers work to create a PANTHER reflective of every aspect of the school.

Upper Left: I DON'T CARE HOW YOU DO IT, JUST MEET THE DEADLINE! Miss Zelma W. Rhodes adds a bit of comedy to break the monotony of meeting an early deadline. **Far Left:** ALL AGGIES CAN'T BE BAD. OEA Practices Office Skills

New this year to the Office Education Association Lab (OEA) is the IBM memory typewriter. This, along with additional office equipment such as Electric and Executive typewriters, combine to give the student an experience at office work in the classroom. The club also conducted several field trips to special offices where students observed how offices are run and what is expected of a secretary. Other activities included a T.V. raffle, a Christmas party, and participation in National OEA Week.

Band Marches To Bicentennial Tunes

The band again provided football fans with delightful half-time entertainment. Under the direction of Robert C. Taylor, the band played and marched to familiar songs that had the American Bicentennial in mind. The band also participated in school activities in other ways. A new function of this year's band was the playing of our National Anthem over the PA system every Friday.

Chorus Excels In Performances

For many years the school has boasted one of the finest choral programs in the city, and this year is no exception. The two choruses, under the direction of Mrs. Pat Atkinson, excelled in their own respects. The Girls' chorus worked to develop technique and the Mixed chorus concentrated on achieving perfection in musical tone and quality. Both choruses perform bi-annual concerts for the school and the Mixed chorus participates in all city competition, which is held in late January. Mixed chorus also highlighted this year's homecoming with a medley of bicentennial songs.

ROME Revives Classic Culture

To finance a trip to Europe, Latin Club members (Romans of the Modern Era) sold candy. Profits not used for the trip paid for a Christmas dinner for a needy family. Under the direction of sponsor Judy Toal, the club held a banquet for toga-clad members, a putt-putt party, and commemorated the death of Julius Caesar.

Active Club Raises Funds

The twenty-five members of the French club, sponsored by Ms. Atkins, led a very active life. Activities included a campout near Granbury, ski trip to Breckenridge, Colorado, and a French Symposium. Fund raising projects included a car wash and garage sale. A scrapbook of all the year's events was kept by the club.

The American Field Service chapter at Paschal held several fund raising drives to sponsor foreign students. These included a turkey raffle at Thanksgiving and an egg-sale. The 122 members of the club celebrated each holiday with a party, whose themes were customs from foreign lands. Area foreign exchange students spoke during an assembly on AFS Day. Ms. Jhani Wright and Ms. Sherry Atkins, sponsors of the club, were aided by President Jennifer Chambers and Vice-President Barbara Horan.

Club Competes In Math Meets

The main focus of this year's Penta Club was to enter intercity and district math meets. Also, members of the club went on a field trip to the United States Soil Conservation computer room and saw a demonstration of a synthesizer. The highlight of the year was the annual Penta Club Awards Banquet. Winners of the awards were determined by math tests, not report card grades. The sponsor of the club was Ms. Annie Conley.

Task Force Stresses Black Culture

The 114 members of the Black Task Force worked to incorporate black students and black culture into school life. Led by president Alva Brown, the club held the annual Red and White Ball at the Round-Up Inn, presented a play for Black History Week, purchased paperback books for the library, sponsored an awards banquet, and held a style show. Funds for these projects came from a garage sale and dues of one dollar a year from each member. Ms. Jhani Wright and Mr. George Taplin were faculty sponsors of the club.

Pan Am Trick Or Treats For Unicef

Sponsored by Ms. Elizabeth Johnson, the Pan Am club began the year's activities by trick-or-treating for Unicef on Halloween. At Christmas time, a banquet was held, followed by a candy sale and a convention in San Antonio during February. Finally, in May, plastic yearbook covers were sold and scholarships awarded to members to further their study of Spanish. Club President Wade Wilson was also chairman of the Fort Worth District, which included Pan Am clubs from all over the city. He planned meetings and coordinated all activities and projects.

New Activities Add Color To Club

A year-round soccer team and club T-shirts were new features added to the German Club, sponsored by Ms. Vicki Taylor. Members began the year with Gummie Bear sales and ended it with a picnic at Mayfest. Activities during the year included a get-acquainted party, presentation of a senior ring to the German foreign exchange student, Stephan Friedrich, a Christmas banquet at Edelweiss, a scavenger hunt, preparation of an authentic German meal, and finally, a trip to Six Flags Over Texas.

Co-Op Lends Office Experience

Helping students to find work for on-the-job training is the main goal of OEA (Office Education Association). This club is for members that have already learned as much as a classroom can teach them about office work, but need some experience in real working situations. The 25 club members took time out from work and school studies for tours of nearby businesses and lectures by guest speakers.

PSOP Leads Student Enthusiasm

For the past ten years the senior class has had a special way to show its support for our school. This year was no exception. The Panthers Spirit of Paschal, the leading spirit group at school, consists of 50 spirited senior students, 25 girls and 25 boys. Activities which show the evidence of their spirit ranged from spirit posters in the hall to an annual Howdy Week dance. They also line up on the football field during season to cheer on the team and provide interesting skits during the pep rallies.

Club Sponsors Annual Rodeo

Bull riding, bareback riding and ribbon roping were featured by the Rodeo Club this year, along with steer wrestling and saddle bronc riding. Paschal's rodeo was held the weekend of April 16, in which all 28 members of the club participated. The officers of this year's club were Vincent Hernandez, president; Bobby McLanglin, vice-president; Sherri Williams, secretary and treasurer.

Members Focus On Culture

The principal goal of this year's TOMA club, Turned on Mexican-Americans, was to introduce aspects of Mexican-American culture to students. Under the direction of Sponsor Ms. Jerina Barnes, the club focused on the role of the Mexican-American student at school and in the community. TOMA members studied the Mexican-American cultural background.

Members Visit Soviet Exhibit

A Christmas banquet with homemade Russian food and dinner at Alexander's, a well-known Russian restaurant in Dallas, highlighted the year for the twenty-one members of the Russian club. Also, members enjoyed visiting the Siberian exhibit (Russia's gift to America's Bicentennial) at the Fort Worth Museum of Science and History in February. Sponsor Ms. Sherry Atkins received help from officers Robin Jordan, president; Barrie Trinkle, vice-president; Cindy St. Clair, secretary; Kelly Moore, treasurer; and Billy Dilworth, reporter.

Pom Poms Generate Spirit

The Purple and White spirit, under the leadership of sponsor, Carol Bott, gave their support to the football team by attending all games. Other activities included marching in the Oktoberfest parade, practicing pom-pom routines, and sponsoring a backwards dance in February. Officers of the club were Maria Schultz, president; Michelle Schultz, vice-president; Eileen Hulme, secretary; and Traci Chipman, treasurer.

CVAE Offers Job Qualifications

Teaching skills that will provide students with job qualifications is the goal of CVAE (Coordinated Vocational Academic Education). There are two parts of this program, an office section and a homemaking section. The office section is under the guidance of Ms. Sybil Echols. This provides a practical course in duplicating and general office procedures. The homemaking section provides good experience in meal planning, food preparation, and catering, under the helpful and knowledgeable guidance of faculty sponsor Ms. Mary Humber.

Top Right: B. O. Students Earn Wages Along With Credit

Distributive Education is a course designed to teach the student how to cope with the business world. The student is trained in a class and then is employed outside of the school for a minimum of 15 hours a week, earning three credits per year. The jobs are varied, including work in local department stores, hobby shops, and record stores.

TAHOS Investigates Medical Careers

For those interested in the field of medicine, TAHOS (Texas Association of Health Occupation Students) is the answer. TAHOS members listen to speakers and take tours of nearby medical institutes. They also put their interests into practical use. Members of the club worked in area hospitals, clinics, and doctors' offices. This year's activities included helping with the Blood Drive and area conventions.

Band Programs Broaden Curriculum

Long hours of practice under the direction of Robert C. Taylor proved to be well worth both "A" and "B" bands' time, for both performed exceptionally well through-out the year. There were two major concerts, both preceded by a clinic under a guest conductor's guidance. Outside of concerts performed for the general public, the band went to city contest. They also needed fund raising projects such as selling Christmas candles, candy, and McDonald's tickets to finance guest conductors and other activities through-out the year.

Orchestra Works On String Ensemble

Experiencing one of the busiest years ever, the orchestra devoted the first two quarters to working on the string ensemble. This ensemble provided all the music of "You're a Good Man Charlie Brown," the Performing Arts' musical. They performed with the chorus and band in a winter concert, and visited middle schools to encourage incoming students to join the orchestra. During the spring quarter the other instruments joined the strings for a final workshop with clinicians, and gave a final performance with the chorus and band.

Stage Band Perfects Jazz Technique

Under the direction of Mr. Robert C. Taylor, members of the stage band learned the techniques of jazz playing. The group performed at Open-House in September and later gave concerts in Bridgeport and Graham. The stage band also performed at several pep rallies and competed in the Midwestern University Stage Band Festival.

Members Investigate Medical Careers

Students interested in medical careers had an opportunity to explore various aspects of their perspective careers by joining the Future Medical Careers club (FMC). Under the guidance of Ms. Marguerite Funderburgh, the members took field trips to places such as Carter Blood Center, the Fort Worth Water Plant and area hospitals. In addition to such visits, members also receive guidance concerning career training.

Seniors Honored For Hard Work

The top fifteen per cent of this year's senior class made up the National Honor Society. Members were ranked according to their grades from all four years of high school. Another membership requirement was having no citizenship grade lower than an "S." Officers were elected at a general meeting and various activities were conducted during the year under the guidance of Sponsor Robert Bennett.

Spanish Honor Society Recognizes Students

To honor those students who excelled in their study of the Spanish language and culture, Spanish teacher Elizabeth Johnson sponsors the Spanish Honor Society. The society consists of seniors who have made straight A's during four years of Spanish study, and a few privileged juniors who have also done well in class. Officers are elected in the spring and various activities are planned for the remainder of the year.

Pantherette Employ Magazine Forma

Presented in a magazine format and published the first Thursday of each month by the Journalism students, the PANTHERETTE was a newspaper about both students and faculty. A regular feature was the "Point-of-View" column, which contrasted a student's opinion with that of a teacher. Here, the grading system and class scheduling were just some of the controversial issues discussed. Each issue was also filled with articles dealing with sports, news, and human interest stories. Editor of this year's PANTHERETTE was Senior Neal Goone, while faculty sponsor was Ms. Allana Martin.

Pam,
You didn't leave me much room, look above and you will see the star reporter for the Pantherette - me!! To one of the dearest and most trusting friends I've ever had. It's surprising how although we hardly ever see each other, we manage to maintain a very close relationship. If it wasn't for working at S.F.O.T., I'd probably never see you. If it wasn't for you, I might never have met Kelly, who is now a good friend. Praise Buddha and Snark, we've

had some good laughs together, like when Kelly got that ticket. Let's go swimming together at the "Y" this summer when your not busy with the drill team. Congratulations on that and everything else. I know you've had a good year. This year we both went to the for homecoming! Maybe when we're seniors, we'll both go to homecoming! Best of everything to ya, sweetie!! Love, Kay Attaya

Pam,
I hope you have about of fun
working at Casa Whatchmacallit in
Six Flags I'll probably be seeing
you there this summer. Had a great time
in Mrs. Bott's English II class, loved
having you sit beside me.
Good Luck. **Student Submissions**

The Vignette allowed students a chance to have original poems, short stories, essays, drawings and photographs brought to the attention of the rest of the school. Students could submit work by placing it in any of the strategically located collection boxes. These works were critiqued by the staff and sponsor, Ms. Jan Turner. The literary magazine was sold in February and distributed later in the school year.

FHA Focuses On Consumer Affairs

Future Homemakers of America (FHA) is designed for students interested in learning about family life, homemaking, and consumer affairs. Students fulfilled community needs by participating in various activities and service projects. Through these activities, members learned responsibilities which help prepare them for the role of wage-earner and homemaker. Under the sponsorship of Ms. Sara Pursley and Ms. Rose Smith, the classroom instruction helps students to improve personal, family, and community living.

Future Teachers Attend Convention

For students interested in the teaching profession, Future Teachers of America gave them insight into the problems and duties they might face as teachers. The fifteen-member club was co-sponsored by Ms. Melba Maddux and Ms. Mary Ann Harris. Members sold plastic footballs in November and attended the state convention held in Houston during the month of February. Officers included President Nanette Griffin, Vice-President Stephanie Shelvey, and Secretary Melinda Merchant.

Vagabonds Work Under New Sponsor

This year the drama club was sponsored by Ms. Sue Williams. Under her supervision the members learned the art of acting and production. During the fall, the club helped with the production of "You're A Good Man, Charlie Brown," and in the spring they put on a play entitled "You Can't Take It With You."

Debaters Travel To Weekend Tournaments

Approximately every other weekend during the winter quarter, Forensic club members traveled to tournaments throughout the state. The team was comprised of both novice (first year) and standard (second year) debaters. Under the direction of Ms. Susan Williams, the team placed second in the first debate tournament of the year and went on to win many other awards and honors.

Students Learn By Teaching

The purpose of Child Development is to learn how to manage children of different ages and in different situations. This program provides students with jobs as assistants in nearby elementary schools, where they supervise reading, math, music, art, and other activities. The students are placed in preschool to second grade class levels, and also in classes for the bilingual, deaf, and blind.

Students Register For Fall Classes

Students arrived to register for fall classes on August 21 and 22. Most did so with little or no trouble, despite the heat and large crowds, but those who found running for classes difficult sought the advice of experienced counselors and helpful Leadership Committee members. As registration ended, students stopped by tables in the front foyer to pick up Panther supplements.

Left: Jennifer Chambers helps freshman Carla Sadler choose classes during registration. **Lower Right:** Sophomore Brad Allen concentrates on selection of classes. **Lower Left:** Students Skip Crow, Barbara Horan, Steve Bartley, and Charles Cipliver agree that the best part of registration is the end, as Mrs. Major checks their finished schedules.

Howdy Week Begins Year's Activities

Annually during Howdy Week, the Leadership Committee sponsors numerous activities welcoming students. This year's activities included a special freshman assembly, the baking and eating of the world's largest flag cake, and a roller skating party. Various clubs sponsored booths at the Howdy Week carnival, and on Club Day signed up new members. Ending the week's activities, PSOP sponsored the Howdy Dance, held each year at Round Up Inn.

Mr. Erwin might disagree as he is bombarded by water balloons at the Howdy Carnival.

Students Eat Bicentennial Cake

Marking the beginning of the bicentennial celebration, Leadership Committee members baked a 10 and one half by 6 and one half foot cake. Made by joining together 49 separate cakes with red, white, and blue icing, the giant cake resembled the first American flag. Braving the morning heat, 735 students who had bought tickets went to the football field to partake in the culinary delight.

Upper Right: LET THEM EAT CAKE! David Chatman and Beau Glenn gorge themselves with the bicentennial sweet. **Upper:** LC members Bruce Hopkins, Shari Freed, and Angie O'Shields skillfully cut the cake while Paschalites in the background clamor for their food. **Right:** Barbie Bowen and Karen Brooks put the icing on the cake.

Magazine Sales Reach All-Time High

Each year seniors work toward defraying costs of graduation activities by selling magazines, but the seniors of '76 outdid themselves by soliciting over twenty thousand dollars worth of subscriptions, breaking Paschal's all-time sales record. Prizes awarded daily, such as tape decks, radios, and cash, encouraged students' salesmanship, and nearly half of the senior class received diploma covers, and caps and gowns free of charge.

Western, '50's Days Highlight Pep Rallies

Pep rallies have always been an integral part of football season, and this year was no exception. Western and '50's days gave students opportunities to display school spirit by dressing up according to the theme of the day. During pep rallies, cheerleaders led students in yells, and PSOP members staged skits designed to entertain and boost spirit.

Concerned Students Donate Blood

Blood became a major topic when the Leadership Committee, in cooperation with the Texas Association of Health Occupations Students, sponsored a blood drive. All Paschalites 17 years and older were able to donate blood, but many students who were not old enough or chose not to give blood helped the blood drive by obtaining pledges from people who supported donors. Upon arrival at the Carter Blood Center, donors registered for the Paschal Blood Bank. After their medical histories were checked, those who were eligible submitted to the needle and gave blood. All money raised during the drive was given to the Leukemia Society.

Class Decorations Enliven Homecoming

As Homecoming approached, each class began to plan homeroom and hall decorations according to the class theme. Cheerleaders selected songs as the theme while seniors concentrated on patriotic tunes. Juniors had the theme Broadway musicals, sophomores western songs, and freshmen melodies of childhood. LC members and cheerleaders screened halls and homerooms, and exes chose the winners, announced at the Homecoming pep rally.

Homecoming Spirit Grips Paschal

Students demonstrated unequalled support of the football team for the entire season, but the climax of the year's schedule was the homecoming game against Arlington Heights. While most homerooms began to work on their decorations several weeks in advance, plans for hall decorations were begun as early as September. Winners of room and hall decoration contests, chosen by the exes, were announced during the pep rally. During halftime of the game, Cathy Davis was named Homecoming Queen. After the game, many students attended the dance held at Round-Up Inn, where they enjoyed the music of the group "Texas".

Autumn Activities Involve Students

Autumn provided a flurry of activities for students, both in and out of the classroom. Each class prepared for Homecoming by having sales and raffles to raise money for decorations. Senior ring sales highlighted the season for juniors, while freshmen engaged in Leadership Committee elections. Ardent football fans journeyed to Longview for the Panthers' only out-of-town game. Meanwhile, back at the ranch, students mixed play with work to make classroom experiences truly memorable.

Holiday Celebrations

Create Good Cheer

Christmas festivities turned Paschal's ordinary halls into elf-infested corridors of good cheer during the last week before the holidays. The Leadership Committee sponsored a Santa Claus Contest, and its members sold one-cent candies. During lunch periods Ms. Pat Atkinson's mixed chorus sang carols. Dressed as elves, many Student Council members delivered Christmas cards to teachers and sold computer-made Snoopy calendars. Several organizations and classes brought gifts for needy families.

Star-Spangled Follies Entertain Panthers

Early in December, groups of talented students met to discuss acts for the annual Sports Follies. Try-outs were held shortly before the Christmas holidays for the Star-Spangled Follies, as the show was dubbed this bicentennial year. The production, organized by interested teachers, was in rehearsal for several days before the final curtain went up on Friday, January 16. After initial technical difficulties, Sports Follies '76 progressed smoothly, with the senior girls line dances dominating the stage. Other acts included singers, guitarists, and novelty acts. At the close of the program, Sheila Tyson, representing the boys' track team, was named Sports Follies Queen.

Ranch Day Coincides With Stock Show

Marking the beginning of the Southwestern Exposition and Fat Stock Show, students celebrated Ranch Day. Traditionally, students dress western, and the Leadership Committee sponsors a beard growing contest. Prizes were awarded to entrants having the longest, fullest, youngest, and most unusual beards. Many students also entered the Mr. and Miss Ranch Day contest, and the winners, announced by Leadership Committee judges, received trophies.

Upper Left: THIS TOWN JUST AIN'T BIG ENOUGH FOR THE BOTH OF US, PARDNER. Seniors Prepare For College

Preparing for college requires much time and thought, and students who plan to further their educations after graduation take time-consuming, and expensive college entrance examinations and fill out myriad applications as seniors. Throughout the year representatives from many colleges and universities visit Paschal to give students a chance to learn more about their respective schools. Counselors hold a special assembly annually to show seniors how to apply to colleges and make themselves available all year long to advise those who have questions or problems about entering colleges.

Upper Right: I WISH I HAD A B.C. POWDER. Invades Paschal

Although Valentine's Day fell on a Saturday, amorous Paschalites did not miss the opportunity to get into the mood of love. Friday the thirteenth wasn't unlucky for students who received tokens of affection from their sweethearts, which included carnations, sold by the chorus and orchestra, and Penta club valentines, designed to melt even the hardest heart. The PAWS backwards dance proved a suitable ending to a love-filled day.

PAWS Sponsor Backwards Dance

Valentine's Day presented a special theme for the annual PAWS backwards dance February 13. Members of PAWS sold tickets for the Friday night dance the preceding week. Boys enjoyed this special opportunity to be treated to the dance, and many also received the special added attraction of a free meal, courtesy of their dates. R. D. Evans Recreation Center was the location for the dance, and the band "Short Change" provided music for the occasion.

Fortunate Students Visit The Capital

Presidential Classroom offered juniors and seniors the opportunity to watch the federal government at work in Washington, D.C. Eight students who went to the capital for a week attended lectures, visited various landmarks and memorials, and met their congressmen. Upperclassmen applied through the office of Ms. Merle Walker, who worked with students in arranging their sessions in Washington, which were scheduled during the second trimester.

Pie Eating Prowess Pervades Paschal

The success of the flag cake, baked by the Leadership Committee to commemorate the Bicentennial, inspired them to make another effort to satisfy the voracious appetites of eight big eaters, two from each class, in the Pie Eating Contest. Rivals in the competition, which took place after school at the cheerleading stand, were elected by their classmates. The pies were furnished by Colonial Cafeterias. Mike Shamblin, grand champion, and his partner Steve Silva were the winning freshman team while George Gorham and Arthur Kirby represented the sophomore class. The juniors elected Ken Dowdy and Nicky Stautzenberger, and David Duval and Gary Froman were senior entrants.

Upper Right: OH THERE'S NOTHING LIKE THE FACE OF A KID EATING A CHOCOLATE PIE! Ken Dowdy devours yet another piece of pie. **Left:** I CAN'T BELIEVE I ATE THE WHOLE THING! Hail And Rain Pelt Powder Puff Game

Rain, hail, and gloom of night did not dampen the spirits of the junior and senior girls who competed in the Powder Puff football game. A Student Council committee, headed by Lisa Ross and Cynthia Harnest, supervised the preparations, which included cheerleading tryouts, election of Homecoming King, and selection of coaches and referees for the game, held at Farrington Field. Cynthia Harnest and Melinda Martin scored touchdowns for the Junior Jocks in the first quarter, and Margaret Brous and Susie Wicker of the Senior Women evened the score in the fourth, thus ending the game in a 12 to 12 tie. During halftime, Gary Froman was crowned Homecoming King.

Programs Stimulate Student Interest

Productions and assemblies offered at various times throughout the year afforded students many opportunities for entertainment. For evening audiences, drama students presented two performances of "You're a Good Man, Charlie Brown," Cynthia Slaughter was a guest speaker, and the choirs, bands, and orchestra combined their talents in a joint concert. The Nash Fantastics, a gymnastics group, appeared before a full house in an assembly during school, while students who wished to hear teachers Carol Bott and Tracy Wilmoth sing and play guitars attended the concert during their lunch periods.

School Functions Enrich And Entertain

Students were provided with many opportunities for involvement in school functions. As part of "Honor Your Teacher Day" students dressed up and showered their instructors with parties. Members of the National Organization of Women spoke to history classes to explain the goals of their organization, and in one of many class excursions Humanities students took a field trip to the Hong Kong Restaurant as part of their study of different cultures. At the end of the quarter, Modern British Studies students presented their group projects to the class, and all year long students enjoyed the Pantherette, the school magazine released on a monthly basis.

Nation's Birthday Inspires Patriotism

Civic and school activities combined to make the Bicentennial year memorable. As part of the celebration, the Fort Worth Public School System converted a school bus into a red, white, and blue "classroom on wheels." During the opening of the stock show many groups concerned with Bicentennial projects participated in the opening day parade. Several teachers took students to visit the Freedom Train, which brought many items of historical importance to Fort Worth on its transcontinental journey. The Leadership Committee held a weekly Bicentennial Quiz Contest and several teachers, PTA members, and Leadership Committee members serving on a joint committee worked on a project designed to honor outstanding Paschal graduates.

'76 Seniors Enjoy A Memorable Year

The seniors of 1976 proved outstanding in their support of school-sponsored and extra-curricular activities. Spirited participation marked the appearance of seniors at a new class function, their own picnic, and at the Dinner Dance, during which Liz Henry was named class sweetheart. Members of the class of '76 chose as their flower the red rose, selected red, white, and blue as class colors, and made, "There is a part which is gone forever, but a future which is still our own," their motto. Bruce Hopkins and Barry Luskey were valedictorian and salutatorian, respectively. Amy Ayers, Scott Berning, Stormy Ford, Barbara Horan, Carey Leva, Barry Luskey, Ross Morgan, Sherri Schreiber, and Cindy Scurlock graduated summa cum laude.

Panthers Tally 3-6-1 Season Record

Paschal's preseason ended with a 2-3 record. The Panthers then started their district season with a tie to Carter, losses to Heights, Southwest, and Northside, and a win over Western Hills. The 1975 season wound up with a 3-6-1 record.

Running Attack Proves Outstanding

Capitalizing on two Highland Park mistakes, the Panthers took the lead in their first pre-district contest. With a good showing early in the first quarter, Paschal lunged ahead 14-0, but fumbled away the lead as the Scotties moved ahead with four touchdowns to win 31-14.

Shaking off difficulties that plagued Paschal in their first game, the Panthers overwhelmed favored Poly 15-14. Despite little action in the first quarter, the game ended with the fans at the edge of their seats. Spectacular running from John Chandler and an 80-yard kickoff return by Jody Norman led Paschal to their first victory.

Paschal Finishes Pre-Season 2-3

Unable to get ahead of state-ranked Longview, the Panthers suffered their second defeat of the season. Ricky Bender's 35-yard field goal made Paschal the first team to score against the Lobos in pre-district play. The Panthers held Longview at seven points until the third quarter, when the Lobos pulled ahead to make the final score 27-3.

A pair of touchdown plunges by Mark Warner, following a weak punt and a fumbled reception by Dunbar, gave Paschal a 14-0 lead over Dunbar. Ross Morgan connected with Gary Froman for a 54-yard touchdown jaunt. With less than a minute left, the Wildcats drove 63 yards, capped with a one yard dive, as the Panthers polished off Dunbar 21-6.

Scores by Mark Warner and Eugene Moore plus a two-point pass conversion put 15 points on the scoreboard for Paschal. But Eastern Hills proved too powerful for the Panthers and pre-district play ended with a 35-15 loss.

Pre-season was an encouragement, with the Panthers making a creditable showing against talented foes such as Highland Park, Longview, and Eastern Hills and defeating favored Poly.

Deadlock, Shutout Snag Early Hopes

In the district opener, Carter came from behind to tie the Panthers 21-21. Paschal surged ahead of the Eagles 14-13 at the half, after giving up two touchdowns to Carter in the first quarter. Another 7 points were tacked on by the Panthers when Mitch Rios recovered a fumble in the end zone. It was late in the third quarter when Carter deadlocked the game, and again threatened to move ahead in the fourth, only to be stopped by a Jody Norman interception deep in the end zone.

It was a cold, rainy evening at Clark Field as the Southwest Rebels overwhelmed the Panthers 24-0. Paschal's running attack ground up 215 yards traveling from one end of the field to the other. Ricky Bender's boots of 50 and 43 yards fell just short as the Panthers were shut out for the first time this year.

Cougars Fall To Panther Onslaught

A Cougar turnover late in the second quarter was all the Panthers needed to capture their first district win. George Gorham recovered a fumble on the Cougar 25-yard line, and two plays later Mark Warner made the touchdown. Ricky Bender added the extra point to the TD, and the score remained unchanged for the rest of the game to end in a 7-0 Panther victory.

A small crowd braved the chilly night air to witness the final game of the 1975 football season against Northside. Three fumbles lost by the Panthers gave the Steers a 14-0 lead at the end of the first half. A break early in the third quarter set up the Panthers' only score, when George Gorham recovered a Steer fumble on their 16-yard line. A touchdown pass to Joe Boles and a two-point conversion followed. The Steers added 13 points to end the game with a 27-8 victory over the Panthers.

Homecoming Clash Close Contest

An estimated 7,000 fans witnessed rivals Arlington Heights and Paschal clash on the football field. The Yellow Jackets looked as though they were going to spoil Homecoming for the Panthers, as they dominated the first half to lead 14-0 going into the third quarter. During the second half, the Panthers almost turned things around, first by traveling 75 yards for a touchdown following some fancy running by sophomore Thomas Williams, and added a two point Ross Morgan to George Elledge pass. The Jackets then kicked what turned out to be the winning field goal late in the quarter to make the score 17-8. With 1:08 left in the game, Jody Norman threw a 10-yard half-back pass to Mark Warner for a touchdown, and Ricky Bender added the point after to end the scoring at 17-15.

District Challenging For Varsity Cagers

District competition proved tough for Paschal's cagers, as they ended the season 4-6 in district play to make their overall record 21-13. Losses to Western Hills and Southwest took away the Panthers' chances for a district crown, but the team showed much spirit and sportsmanship throughout the season. Park Van Nest, Clay Bibb, and Allen Barnard were regular starters while Mike Pursley and Kevin Warner were key scorers for Paschal.

New Cagers Gain Experience

With only one returning starter, varsity basketball gained experience while preparing for district play. The new squad compiled a 15-7 pre-season record.

The Panthers competed in two out-of-town tournaments, capturing the consolation prize at Cleburne by defeating Eastern Hills 56-48 after losing to Dallas Adamson. A road trip to Houston ended with a fourth place award in the Clear Lake Tournament. The roundballers defeated Silsbee and Corpus Christi King, but lost to Clear Creek and Southwest. The Panthers remained at home for the annual West Side Lions' Tournament. Victories over Eastern Hills and Haltom put the Paschalites in the semi-finals, but losses to Dunbar and Southwest left Coach Wall's crew in fourth place.

Consecutive Wins Start District

District play started on a good note as Paschal topped Carter 67-59. It was a close contest until half-time, but the Panthers charged into the third quarter and clenched a 15 point lead. The Eagles attempted to gain ground in the final quarter, but saw their hopes fade with Paschal's sharp shooting.

Closing in on Arlington Heights, the Panthers tacked up their second district win. Paschal held a strong lead at the half, but bad shooting and several turnovers gave Heights the lead in the third quarter. A 12 point scoring drive turned the scoreboard back around and ended the game with a 60-50 purple victory.

Three was an unlucky number for Paschal as the Panthers fell to Western Hills in their third district game by a score of 65-55. It was a closely fought contest for the first three quarters, but a Cougar blitz put Western Hills ten points ahead in the final seven minutes.

Rebs Suppress First Half Hopes

A win over North Side kept Paschal in contention with the first half leaders. Fans inside Public Schools' Gym stayed on the edge of their seats as the teams exchanged the lead six times. It was not until late in the fourth quarter that the Panthers were able to clench a substantial lead and triumph 61-58.

In the showdown for the first half title, the Panthers could not gain an advantage over Southwest in the first half of a tightly fought game. The teams went to the locker rooms at halftime with the Rebels holding a two-point lead. Paschal went cold in the third quarter, and the Rebels gained a seven point lead going into the final eight minutes. The Panthers came within two points of the Rebs, but Southwest surged ahead in the last moments to overcome Paschal 55-47.

Win Over Heights Highlights Final Half

Despite 30 points by junior Kevin Warner, the Panthers fell to the Carter Eagles 66-68. Paschal was in control for most of the game, leading by 13 points at one time only to falter in the final quarter. Key turnovers and a technical foul with little time left allowed Carter to send the contest into overtime. The Eagles immediately opened a four-point lead, but the Panthers came back. It wasn't until Clay Bibb shot just short at the sound of the buzzer that the game was settled.

It was late in the fourth quarter when Paschal gained the lead over Arlington Heights after a closely-fought game. Three driving layups by Allen Barnard plus foul shots by Clay Bibb and David Owens put the Panthers on top 43-39 for a timely win in the final minutes.

A loss to Western Hills eliminated the Panthers from contention for the second half championship. The Cougars jumped to an early ten-point lead and put the Panthers behind for the rest of the game. With less than three minutes left, Kevin Warner brought Paschal to within four points, but Western Hills broke open the Panthers' press to score several late baskets and hold on to a 55-48 victory.

Cagers Fall Short In Close Decisions

Throughout the basketball game, both the Paschal and North Side coaches initiated slowdown offense, which left the contest to be decided in the final seconds. With the score knotted at 36 all, the teams began their stalls. It wasn't until seven seconds remained that the Steers were able to convert on a free throw and hold on to a 37-36 victory over the Panthers.

A small lead was maintained by Southwest in the final district game until late in the fourth quarter. It was 18-22 in favor of the Rebs with 43 seconds left, when Clay Bibb sunk a 20-footer and Park Van Nest tied the score with a base-line shot as time ran out. However, three seconds were run back on the clock because Southwest had called a time out. A disputed foul called on Paschal as the buzzer rang again gave the Rebels what they needed for a 23-22 victory.

Junior Varsity Ties For Second In District

Motivated juniors and sophomores displayed outstanding athletic talents and great promise as a junior varsity football team. Billy Weimer directed the offense as they matched last year's 6-4 season record and 3-2 in district competition to earn the team a tie for second place. Credit must go to coaches James Crowder and George Taplin for their efforts in putting together a winning football team.

B-Teamers Take Second In District

Coached by Herb Stephens, the junior varsity finished with a 19-10 season record and 8-2 in district for a second place finish. The team, which is almost entirely sophomores, will compose much of next year's varsity squad. Frank Sullivan and Kyle Bibb paced the high scoring offense, which averaged over 65 points per game to their opponents' 56 points per game.

Frosh Show Spark In Initial Competition

Winning sixty-seven percent of their games, the Freshman Basketball team finished with an impressive 18-9 record for season and 6-4 for district play. The frosh cagers were led by high scorers Danny Smith, Greg Shropshire, David Berning, and Ted Davenport. George Taplin coached the team through the ropes of fine basketball.

Returning Starters Spark '76 Sluggers

After gaining second team All-District last year, Ross Morgan and Bill Sanders returned with four other starters to lead the varsity baseball team through the 1976 season. Mr. Jimmie Crowder became head coach. Paschal's sluggers gave a good showing in early season play and are expected to do well in district.

'76 JV Starts Season Winning Four Of Five

Junior Varsity baseball started pre-district play by winning four of their first five games. The Panthers defeated Sam Houston 10-1 and, again, 11-2, Tech 7-4, and Dunbar 15-3, falling only to Eastern Hills by a score of 2-0. These early showings forecast a successful season for Coach Glen Wood's sluggers.

Cheerleaders Display Spirit And Skill

This year's cheerleading squad of Shelia Tyson, Becky Ball, Lane Bloxom, Nada Wise, Bruce Cunningham, David Chatman, Beau Glenn, Brad Beck, and mascot Keith Bratten, has been outstanding in spirit and skill. In a five day training camp at SMU, the cheerleaders earned two superior awards, two excellent awards, and the coveted spirit stick, which only 10 out of 150 schools receive. These spirit leaders introduced many new ideas such as a "fifties" pep rally, Western day, goldfish eating, and a spirit chain contest between the classes.

Chrissy Armstrong, Karen Brooks, Sandy Gallagher, and Beth Chubbuck bolstered freshman and sophomore spirit as B-team cheerleaders. They also led the support behind the successful seasons of the underclassmen's teams.

Senior Clarke Gillespie placed first in the long jump and sixth in the high jump. Sophomore Jody Norman brought a third place long jump title back to Paschal and also ran in the four mile relay with Don Hudson, Eugene Moore, and Terry Franklin. The distance medley team, consisting of Brian Branch, Clarence Garret, Fausto Meza, and Keith Bratten, came in third. These performances by Paschal's track team raised hopes of an even better showing in district competition.

Cross Country Does Well In City Meet

This year's cross-country team competed in six different meets. In the city meet, Bryan Branch won the freshman race while varsity runners Keith Bratten and Fausto Meza placed second and fifth respectively. This team worked out under the guidance of Coach Phil Hall.

JV And Frosh Track Teams Improve Skills

The junior varsity track team worked hard and practiced daily for the district meet which was held in February. The team was coached by Jim Branson.

The six members of the freshman team proved their skill by working out with the varsity and JV team. The freshmen competed in a number of meets, gaining valuable experience.

Margaret Brous also qualified in the 60 yard dash and placed fifth in the meet. The team, coached by John Branson, Phil Hall, and Jerry Kirby, spent hours practicing each day in the spring and competes for district at the end of the school year.

Tennis Title Looms For Racket Wielders

In meets against strong rivals, the boys' tennis team proved its ability by winning every pre-district match played thus far. Under the guidance of Mr. Arthur Lotspeich, the team beat O. D. Wyatt, Arlington Heights, Southwest, and Eastern Hills. These early victories placed Paschal in an excellent position for a district crown in tennis.

Early Returns Favor Girls For District

In pre-district matches against Southwest, O. D. Wyatt, Eastern Hills, Western Hills, and Arlington Heights, the girls' tennis team came out on top. The team, coached by Ms. Norma Headrick, came in second place in a tournament at Wichita Falls, only losing to Abilene Cooper, last year's state champions. In a tournament in Garland, Angela Bartzen won in the singles division. All indications point to a district crown for the girls' tennis team.

Girls' Cage Team Is Potential Threat

Led by outstanding players Willa Johnson, Eartha Hardy, and Sandra McKenzie, the girls' basketball team has shown the skill and potential to go far in competition this year. The team has worked out daily under the direction of Ms. Martha Powell.

Future Prominence Hoped For By Golfers

Since their last State crown in 1971, the golf team has been struggling to regain past prominence. With the talent Coach Louis Hudgins has this year the strife may be over. Seniors Robert Henk and Phil Hayter lead the team, which captured the Castleberry title and finished among the leaders in many other tournaments. Juniors David Messing and Bill Daniels, sophomore Kent McGee and Freshman Kent Lance add the needed support to compete for district.

Unseasoned Golfers Develop Their Skills

With only the varsity competing for a district title, the second and third teams' players practice hard to move up in rank. It is with competition for position that keeps the team playing at its best. At the end of the year, the team plays in an all-Paschal tournament, the Screen Door Open, for trophies and other prizes.

Girls' Golf Breaks Into Bloom

The girls' golf team was a new addition to Paschal's sports program this year. Sponsored by Mr. James Jenkins, the team plans to compete in tournaments against other district teams. Led by top golfers Jean Kostohryz, Eilene Hulme, Melissa Marek, Marsha Curry, and Karen Shapter, the team shows much promise and hopes to set the standard for a new girls' sport at Paschal High School.

Boys' Soccer Starts Strong In District

Hard practice and unified teamwork proved fruitful for the boys' soccer team as they started the season with four straight wins. In the opener, Paschal shut out Eastern Hills 3-0 and followed by downing Carter 5-0. A 5-3 win over Burleson and 2-1 defeat of Nolan put the Panthers in strong contention for a district crown.

Soccer Girls Show True Grit

Due to a lack of enrollment, Paschal combined with Southwest to form one of the strongest girls' soccer teams in the district. The girls chose the name "Grits" and competed in Paschal's colors of purple and white. Mr. and Mrs. Les Spradley coached the team. The season started out with a 4-1 victory over Nolan and a 6-0 shutout of Western Hills. The "Grits" have a good chance of winning Paschal's first district crown in girls' soccer.

Girl Netters Take City Crown

Outstanding spirit and skill, and much hard work were keys to the success of this year's volleyball team. These girls advanced to the district playoffs with a 7-3 record, and clenched first place by beating Southwest in a tightly-fought game. The height of the season was a victory over Eastern Hills for the city championship. A loss to Killeen in regional playoffs ended the season with a 9-4 record.

The Junior Varsity team practiced daily and shows much promise as next year's varsity squad.

Practice Motivates Girl Sluggers

Through daily practice during and after school hours, Paschal's girls' softball team worked themselves into shape before facing district opponents. Ms. Martha Powell coached the girl sluggers. They plan to compete in tournaments against other softball teams in the area.

Bowling Team On Strike Streak

The Bowling Team, coached by Mr. and Mrs. Fred Murphy, showed much skill and determination. The team practiced twice a week on Wednesdays and Saturdays. The five bowlers who placed in the high school tournament were Johnny Mapes, Jeff Murphy, Greg Rutledge, Vanessa Cook, and Penny Lyles.

Badminton Brings New Honors To Paschal

T.C.J.C.'s badminton tournament provided the opportunity for Paschal's badminton team to bring new honors to our school. Vincent Hernandez won the boys' singles, with Ricky Najera coming in fourth. Teresa Fowler was the consolation runner-up in girls' singles. In the doubles competition, Tracye Nyhus and Vincent Hernandez won the mixed doubles and Jim Murphy and Ricky Najera were consolation runners-up in boys' doubles. This coed group worked out under the supervision and guidance of Ms. Martha Powell.

Swimmers Stroke To Second In City

Skill and strenuous workouts were keys to the improvement of Paschal's swim team. Coach Tracy Wilmoth's crew held a strong second place among the city's swim teams. The swimmers defeated tough rivals such as Arlington Heights and Eastern Hills.

Fourteen Qualify For Regional Contest

In the city meet at Panther Boys' Club, the swimmers brought home many awards and a new record set by Sharon Noonan in the 100-yard breaststroke. Carol Noonan won first place in the diving competition and went on to win another blue ribbon at the regional meet. Other first place winners were: Martha Jones in the 200-yard freestyle, Sharon Noonan in the 50-yard freestyle, and the girls' 200-yard medley relay team consisting of Laura Gooch, Sharon Noonan, Helen Standerfer, and Martha Jones. In all, fourteen swimmers qualified for the regional meet.

In Memoriam

Polly Boardman
1958 — 1975

Pam,
Well what can I say? Since 3rd
Grade, and next year seniors. Good luck!
I'm Really glad that our friendship
has lasted this long & I hope it con-
tinues "you've got a friend". We've had talks, laugh-
cries, & almost everything together. I
Really appreciate your friendship.
Have a great summer & good luck
always. We have to get together
sometime soon - seriously. Call me.
Love ya lots,
Tami

Transients

The loveliest of lovely things
They never come to stay.
Seeing beauty is the wings
That carry them away.
Though we light lanterns in our hearts
And make the crystal shine,
The well beloved guest departs
While yet we pour the wine.
A heartbeat there — a lifetime gone,
Yet richer life therefore
Remembering the wings that shone
Their moment at our door.

A black and white photograph of a man and a young boy walking along a dirt path in a wooded area. The man is wearing a hat and a jacket, and the boy is wearing a striped shirt. They are surrounded by trees and dense foliage. The path is narrow and appears to be made of dirt or small stones. The trees are mostly bare, suggesting a late autumn or winter setting. The foliage on the sides of the path is dense and overgrown. The overall mood is peaceful and natural.

The Future Now Will Later Be Past

Far Left: The present is a bridge between the past and the future. We have only to cross it. **Upper Left:** Demonstrating the minuet, a dance of the colonial days, Jeff McClure and Kerry Lavine participate in the 1976 Sports Follies. **Right:** Student Council members, Helen Buntin and Becca Baird, raise the Bicentennial Flag. **Lower:** "There is a part which is gone forever, but a future which is still our own."

*Sam,
It sure has been nice
having you in some
classes this year. You put
on a pretty good show by
turning red in class. Stay
pretty and sweet this summer
and hope to see you next
year.
Love ya,

Pam,

I'm sorry I
never see you any
more. Maybe we'll have
some classes together next year.
We'll have to do something this
summer like go swimming or maybe
I'll see you at Six Flags. I can't
wait to see how the drill teams
doing. Next year is going to be so
exciting I can't wait.

Be seeing you,
